INT. ROBIN'S NEST - LIVING ROOM - DAY

5

*

A distraught **KATRINA** (Larry's sister, 30s, professionally dressed) sits down in the living room.

*

KATRINA

I'm still not really sure why I'm here. My assistant told me you had some information about my brother?

MAGNUM

Yes. And I know this is going to sound strange but...Katrina, Larry hired me to investigate his murder.

*

KATRINA

(thrown)

I'm sorry...?

*

*

MAGNUM

This morning I received a video he made for me. Your brother believed someone wanted to kill him.

KATRINA

Are you saying what happened wasn't an accident?

MAGNUM

Well I can't say that for sure. But the timing is a little suspicious.

*

KATRINA

I can't believe this...

She's struggling to wrap her head around it.

*

KATRINA (CONT'D)

Last week Larry told me he thought someone was watching him.

HERE

KATRINA (CONT'D)

He was so scared he wouldn't leave his apartment. The only reason he left yesterday was because he felt sick and needed the doctor. I thought he was just being paranoid. That he was having delusions again.

HIGGINS

What do you mean? *

KATRINA

Larry was schizophrenic.

Magnum and Higgins exchange a look. This changes everything.

KATRINA (CONT'D)

Sometimes he would hear things. See things that other people didn't. Clinically speaking those things 'weren't there.'

(beat, then)

You don't think it's possible that this time it could've been real? *

MAGNUM

We won't know until we look into it.

KATRINA

(looks at both of them)

You have to. Please. What if he was right all along? And I didn't believe him? *

HIGGINS

Let's not get ahead of ourselves. It's likely that what happened was indeed an accident. *

KATRINA

And if it wasn't?

She is stricken. Magnum and Higgins trade a look.

MAGNUM

Then we'll do exactly what your brother hired me to do. We'll solve his murder. *

EXT. KATRINA'S HOUSE - LANAI - DAY (D1)

18 *

Magnum and Higgins sit opposite Katrina who is struggling to process what she's just been told.

KATRINA

But why? Who would want to kill Larry?

MAGNUM

We were hoping you could tell us. Can you think of anyone who may have wanted to hurt him?

KATRINA

No. No one. My brother was a good person. He was kind...and sweet... None of this makes any sense.

*
*

Katrina takes a long moment, chokes back her emotions.

*

KATRINA (CONT'D)

I made a promise to my mom before she died that I'd look after Larry. I worked as hard as I could to support both of us. I thought I was taking care of him, but maybe if I'd focused less on work and more on him...I would have listened better. I wouldn't have dismissed his fears as symptoms. If I just believed him, I could have done something...

*
*
*
*

HIGGINS

Katrina, listen to me. Someone is responsible for this, but it's not you.

END

Katrina takes that in. Wipes a tear. ~~Their meeting is~~
