She sits.

DANNY (CONT'D)
You're Reginald's mother?

MRS. JASEEM
Oh my god... what's happened?

Danny squeezes his mouth tight. He doesn't want to say it.
He doesn't have to. She can read it on his face.

MRS. JASEEM (CONT'D)
Oh my god no... no.... Is he...
hurt?

DANNY
I'm afraid he's passed --

She crumbles.

EXT ALLEY - DAY

13

Anthony has Angela against a wall.

→ ANTHONY
You're a liar.

ANGELA
No... I'm not.

ANTHONY
Yeah? Well, I went to the
apartment where you said the gun
was stashed and guess what... it
wasn't stashed.

Eddie is freaking a little...

~~EDDIE
Detective... I'm sorry but...~~

Anthony turns and stares daggers at Eddie - shut the fuck up.
She does. Anthony brings his attention back to the girl.

ANTHONY
So either you're a liar or I'm a
liar. Are you calling me a liar,
Angela?

ANGELA
No, no, not at all.

ANTHONY

That's good. Cause I don't like being called a liar. I get very upset when people use words like that to describe me.

ANGELA

I understand. You are not a liar. I never, I would never say that.

ANTHONY

But you are.

ANGELA

No.

ANTHONY

The gun isn't there Angela. Which means the deal you cut with Officer Janko here is null and void and kaput. Capisce?

She nods.

ANTHONY (CONT'D)

Which means it's time to call your old man.

ANGELA

No, no, no.

EDDIE

Angela, could --

Anthony throws Eddie another look. Eddie quiets.

ANGELA

Okay... look... you can't tell anyone where you heard this, you promise?

ANTHONY

(puts hand up)
Hand to God.

ANGELA

I'm serious. Nobody.

ANTHONY

I just gave you my word, didn't I? Angela, we're not back to you calling me a liar again are we?

13

13

ANGELA

No, no. Okay... I think my cousin took it.

ANTHONY

There we go. Good girl. What's your cousin's name?

Off Angela--

INT. SQUAD - DAY

Danny enters. Baez looks up.

BAEZ

How'd you do?

DANNY

You know what they should do... have cops be the ones who notify lottery winners that they've won millions. Tired of being the Bad News Bear every time the door opens.

BAEZ

That good huh?

He gives a look.

BAEZ (CONT'D)

Seriously, nothing?

DANNY

She said something about a girlfriend. They had an "intense" relationship.

BAEZ

That's consistent with our crime of passion theory. How intense?

DANNY

She was a mess. Understandably but still...

BAEZ

Anything?

DANNY

She wasn't making much sense and what sense she did make was hard to make sense of.
