

"REBECCA"

INT. MASTER BEDROOM - NIGHT

DAVE AND REBECCA WATCH HANDMAID'S TALE IN BED.

Start →

DAVE

Thanks again for letting my parents stay here. I know it's not ideal for you or me or our children or anyone.

➤ REBECCA

Look, your parents don't respect boundaries, but besides the fact that I will fight a stranger over a free sample, I think I'm pretty chill.

DAVE

Totally. You're chill in a "very not chill" kinda way. And I so love that about you.

➤ REBECCA

Just promise me we don't let this turn into the time they tented their house for termites and stayed here for one day which then turned into three which then turned into your mom crying the whole time because "the 'This is Us' family has been through so much."

DAVE

They really have.
(then)

But don't worry that won't happen. I promise.

DAVE (CONT'D)

I just have to support them right now.
They've supported me through
everything but my nose ring.

> REBECCA

Was that before or after the
dreadlocks?,

DAVE

You know the answer--

> REBECCA

Oh right, it was during. Look, I know
you gotta support them right now.
Your parents gave you this absurd
confidence that just gets you whatever
you want. It's like *The Secret*, which
is ironic because they can't keep one.

DAVE

I mean, my Mom's the one who said I
should start a renovation business
~~even though my only experience was~~
~~watching HGTV and yelling at the~~
~~screen. But~~ if it weren't for her
saying that, I never would have
actually done it.

> REBECCA

It's sweet, but it would be nice if
some of that support spilled over to
me?

DAVE

What are you talking about? She's super supportive of you.

> REBECCA

Really? Have you heard her talk about my cooking? She's told me to get Blue Apron more than all of the podcasts I listen to combined.

DAVE

Yeah it's almost as upsetting as watching *Handmaid's Tale*. (RE: TV) Why do we keep watching this!

> REBECCA

Because it wins awards and the only other stuff we watch is competitive baking shows and Paw Patrol. (HORRIFIED)

Oh God no!

THEY BOTH QUICKLY TURN AWAY FROM THE SCREEN.

SCENE 2

INT. MSG - NIGHT

DAVE AND REBECCA SIP ON BIG DRINKS AND MAKE THEIR WAY THROUGH THE CROWD TO FIND THEIR SEATS.

> REBECCA

Thanks for forcing me out of the house. Things have just been so crazy with your parent's stuff, and the house stuff. There's been no time for us stuff.

DAVE

I know... But now we do.

DAVE GIVES HER A KISS.

> REBECCA

This is so fun! I don't think I've been to a concert since Justin Timberlake brought sexy back.

DAVE

I miss his curls.

> REBECCA

(LAUGHING) You think the kids are okay?

DAVE

They're totally fine.

> REBECCA

Should we call them? Or Facetime them? *

Or ask your parents to send us a *

picture of them with a newspaper so we *

know they're still alive? *

DAVE

Facetime only leads to meltdowns. I'd
rather just spend time with you...

REBECCA SMILES AND WHEN DAVE GIVES HER A KISS WE HEAR.

LINDA (O.S.)

Surprise!

THEY LOOK OVER TO SEE ELLIOT AND LINDA IN THEIR ROW!

> REBECCA

What the fuck is happening!?

DAVE

What are you two doing here?!?!

> REBECCA

Who's with the kids!?

LINDA

We decided to surprise you as a thank
you for letting us stay with you!

~~DAVE~~

~~This is not a surprise. This is a~~
~~mean prank show!~~

7 REBECCA

Again! Who is watching our children?!

➤ REBECCA

ARAM?! You left our kids alone with
that human can of Axe Body Spray!?! I
literally can not!

REBECCA STORMS OFF FURIOUS AS DAVE TURNS TO HIS PARENTS.
