

HARPER
(in shock)
I heard the back window break and --

ERIN
It's okay, just put the gun down.

She does so.

ANTHONY
It's Hicks alright. He's dead.

HARPER
Hicks? From the rehab clinic?

ERIN
Siriani gave him your address.

Harper looks at the man she's just killed, in shock, sits.

HARPER
I was just trying to help.

ERIN
It's not your fault.

Off Erin, trying to console her former colleague--

27 INT. SQUAD - INTERROGATION ROOM - DAY

27

Danny and Jamie with Katrina in the box.

KATRINA
I really don't think this is a good idea --

JAMIE
Katrina, trust me. We're on your team here.

KATRINA
I still think I want a lawyer.

JAMIE
Just talk to us. We need your help.

DANNY
Before someone else ends up like Wayne.

KATRINA

(to Danny)

I've already told you everything I know.

DANNY

Like how you were stealing drugs out of your own ambulance?

KATRINA

I don't know anything about that.

DANNY

We saw your doctored logs. Was that why you asked Higgins to keep us out of the hospital?

KATRINA

I just wanted privacy -- to move on from all this. Please --

JAMIE

I know, Katrina. I want to move on too.

DANNY

But none of us can until we find who did this.

Katrina's quiet a beat --

KATRINA

He has a wife and kids --

JAMIE

Don't you think they'd want to know who did this more than anyone?

KATRINA

(nods)

Everything he did, he did for them.

Jamie and Danny share a look --

DANNY

What did he do exactly?

KATRINA

His kids worshiped him. If they ever found out --

JAMIE

Found out what, Katrina?

DANNY

Did Wayne have something to do with these robberies?

She takes a deep breath --

KATRINA

Wayne teamed up with some thugs. Helped them set up ambulances and gave them the technical expertise to rob them.

DANNY

In exchange for profit?

KATRINA

Yes.

DANNY

And you were innocent in all this?

KATRINA

I tried to get him to stop, but he kept saying just one more, until --

DANNY

Until someone got killed.

KATRINA

(nods)

It was an accident. After that EMT died, Wayne wanted out, but the thugs didn't want any loose ends.

JAMIE

And now you're worried that you're a loose end too.

KATRINA

They saw me, they know I was his partner --

JAMIE

Nothing's going to happen to you.

DANNY

But you need to tell us exactly how these buses are getting hit. Now.

Off Danny and Jamie, determined.
