

ACT TWO

INT. ERIN'S OFFICE - DAY

Erin is at her desk; McBride knocks --

McBride

ERIN

Come in.

-- and enters.

ERIN (CONT'D)

Anything?

MCBRIDE

Not on Hardy. Looked at his credit, his personnel records, everything. If he's a dirty cop then I'm Miley Cyrus.

ERIN

Point me somewhere.

MCBRIDE

I got the swipe records for the safe room. Two other ADA's were in there that morning. And you swiped in twice.

ERIN

Twice? No.

MCBRIDE

Yeah.

ERIN

I went in there once.

MCBRIDE

You're sure.

ERIN

Yes. I went in, got the evidence bags. Three, including the gun.

MCBRIDE

That means somebody took your card. Where do you keep it?

ERIN

In my bag or on my desk.

Blue Bloods

MCBRIDE  
Who could know that?

ERIN  
Nearly anybody out on the floor.  
People are in and out of here all  
the time.

Erin goes to the office window looking out onto the bustling  
DA's office. Alex joins her.

MCBRIDE  
Anybody have it in for you?

ERIN  
Not that I know of. But even if  
they did, why try to get at me by  
blowing up a case?

MCBRIDE  
To humiliate you. I'll ask again --  
do you have enemies in this  
building?

She digests this, for a moment.

ERIN  
Maybe I'm my own worst enemy.

MCBRIDE  
What do you mean?

ERIN  
Because I can't believe that  
someone I work with would despise  
me enough to blow up a case against  
a truly vicious killer just to get  
at me. Maybe I'm just terminally  
naive.

MCBRIDE  
That's not exactly what I meant.

He wilts a little under her gaze. She shifts it back  
outside.

ERIN  
You a sneaky bastard?

MCBRIDE  
That a trick question?

5/10

ERIN

No. I need to know. Can you be?

MCBRIDE

It's a tool on my belt.

ERIN

I want you to get a rumor out there on the floor, in a way that'll go viral in a minute, that we were able to get a DNA sample off the evidence bag and we're going to swab everybody first thing tomorrow morning. Then we see who doesn't show up for work.

MCBRIDE

Uh-huh.

ERIN

I've only got 'til Monday morning and there's too many people to do this retail.

MCBRIDE

(impressed)

Good point.

ERIN

And obviously, this didn't come from me.

Off a determined Erin...

**INT. CHARGER - DAY**

Danny and Baez, Danny drives. Every ten seconds he checks his mobile phone screen --

BAEZ

A judge, a lawyer, and a doctor.  
All male, all Jewish, all  
upstanding citizens, and all gunned  
down by a lone gunman riding a  
motorcycle. What else do they have  
in common?

DANNY

What are you doing?

BAEZ

Mind-bender. Game we played as  
kids. Like a riddle.
