ROBIN (PRELAP)  
You helped Vasili Sirin get to  
America?

INT. SAFEHOUSE - NIGHT

5

JOE  
Yes.

ROBIN  
What happened?

JOE  
They were waiting for us. They were  
dressed as EMTs. They took Vasili.

ROBIN  
Were they Russian?

JOE  
They didn't speak. I didn't hear  
them speak.

ROBIN  
Did you and Sirin arrange a meeting  
place in case you were separated?

JOE  
(lies)  
No.

ROBIN  
Isn't that protocol?

JOE  
For a professional, maybe.

ROBIN  
You're a graduate of the Farm.

JOE  
I didn't stick around for the  
kinetic training.

ROBIN  
What's Vasili's excuse?

JOE  
You'll have to ask him.

ROBIN  
What did you two talk about?

JOE  
He said he knew the identity of a  
high level CIA officer who was  
leaking information to the Russians.  
He said multiple U.S. assets had  
already been compromised.

ROBIN  
Did he give you a name?

JOE  
No.

ROBIN  
Then why were you watching Piper?

JOE  
I found a file in my Uncle's office.  
He'd compiled a dossier on Gordon.  
His history with the Agency, a list  
of operations, financial history.  
There were surveillance photographs.  
Bob obviously suspected him.

ROBIN  
Where's the file now?

JOE  
I don't have it.

JOE (CONT'D)

Someone was at the house cleaning up  
after himself. He got the drop on  
me.

ROBIN

Hmmm.

JOE

I've told you everything I know.  
Maybe now you can tell me what's  
going on.

Robin studies him, then--

ROBIN

No.

JOE

You don't trust me?

ROBIN

Trust doesn't factor into it. You're  
not authorized. But if you were  
authorized... No. I wouldn't trust  
you. Bringing Sirin back to the  
States the way you did was sloppy.

JOE

Take it up with Reuel Abbott.

ROBIN

Oh, I plan to.

The way Robin says this gives us a window into her true  
motives.

JOE

I can help you... I spoke to Gordon  
at the funeral reception. We hit it  
off. He invited me to his house  
after church for brunch tomorrow. I  
can get inside his house.

ROBIN

What then?

JOE

Tell me what you need?

ROBIN

If Vasili Sirin contacts you, I need  
you to contact me immediately.

JOE

I'm confused... Why would you think  
he's still alive?

ROBIN

Okay, we're done here.

TRACY

Ma'am.

Robin looks over at Tracy. They step out of the room.

Joe sits there alone.

When they return to the room, Tracy gives Joe a SPRAY BOTTLE.

TRACY (CONT'D)

*If you get in there and you can do  
it without getting yourself caught  
and blowing this whole thing up...  
It would be helpful if you could  
spray this on Gordon's alarm keypad.*

JOE

What else?

ROBIN

That is literally all we need or  
want you to do. Unless Vasili Sirin  
makes contact with you.

JOE

You seem to have reason to believe  
he's alive.

ROBIN

Goodnight.

TRACY

Come on, I'll give you a ride.
