ERIC

I know...

PAULA

Can I sit for a minute?

ERIC

Uh. I'm meeting someone. Can I call you later?

PAULA

Eric, you had sex with me last night. Let me sit for one minute.

I just want you to know that was fast. I don't usually do that so fast.

ERIC

Me either.

PAULA

It's just there was something so sweet and innocent about you. Is it an act?

PAULA

Cause you said last night you didn't have a girlfriend.

ERIC

I don't.

MELANIE

I'm not his girlfriend. Although, we did have sex yesterday.

PAULA

Are you serious? So did we.

ERIC

Girls--

MELANIE

Did he get you pregnant also?

PAULA

No, I mean, not that I know of.

MELANIE

You better check because he's got another unplanned pregnancy he's dealing with. Apparently, he has very strong swimmers.

PAULA

I'll go to the gyno today. But what time did you guys have sex?

MELANIE

Like six am. Why?

PAULA

Oh, you're fine. But Eric the reason I wanted to call you-- this is embarrassing, but you might need to go the doctor also.

ERIC

For what?

PAULA

I'd rather not say it in front of her. But I may have something... It's probably not contagious but--

MELANIE

Ew--

MELANIE

Well, what do you have...herpes or something?

PAULA

Shut the fuck up.

Eric may drop dead.

ERIC

Girls. Can we please split this up cause I don't know what to say to both of you at the same time.

MELANIE

Why don't you just say sorry for being just another typical L.A. douche bag?

ERIC

But...I'm really not.

PAULA

Well, we think you are.

MELANIE

Who just runs around and uses as many girls as he can?

ERIC

I really don't.

PAULA

We think you do.

ERIC

We?

MELANIE

We used to live together, Eric. Haven't spoken in a little, but we did this morning. And somehow your name came up.

Eric looks up.

ERIC

You're not really pregnant?

She looks at him. She's just pissed.

MELANIE

This was pointless.

Paula nods.
