~~GROVER (CONT'D)~~

~~Black Jaguar. There you go. This must be who she's protecting.~~

~~QUINN~~

~~Which means Dr. Sua might have actually killed our victim.~~

17 ~~INT. ABC STORE - DAY~~

17

~~As Tani and Noelani are on line to check out, Tani grabs a heart shaped box of chocolates near the register.~~

~~TANI~~

~~Y'know what, who needs a boyfriend? I'm buying my own damn chocolates.~~

~~NOELANI~~

~~You do realize those will be half off tomorrow?~~

~~(off Tani's look)~~

~~You have my full support. Especially if you're sharing.~~

Just then -- the Man and Woman we saw earlier (we'll call them **BONNIE** and **CLYDE**) jump into action. From the center of the store, Clyde draws a gun. At the cash, Bonnie draws one as well and points it in the CLERK's face.

CLYDE

Everyone down on the ground! Now!

The CUSTOMERS (three, plus Tani and Noelani) comply. Since Tani is off-duty, she's unarmed. Bonnie orders the Clerk:

BONNIE

Everything in here!

She tosses him a small duffel and he shakily empties the register into the bag. Clyde keeps his weapon on the customers. The Clerk hands back the duffel. But when Bonnie looks inside:

BONNIE (CONT'D)

That's only a few hundred. Where's the rest?

CLERK

In the back. There's a safe...

CLYDE

Forget it! Let's just go!

BONNIE

No! We're getting what we came for.

Bonnie drags the Clerk to the back while Clyde guards the customers. Tani watches Clyde stumble, then steady himself.

~~TANI~~

~~(whispers to Noelani)~~

~~You see that?~~

~~NOELANI~~

~~Sure did. And his color is off.~~

~~TANI~~

~~He must be twaking. They're doing
this for drug money.~~

~~NOELANI~~

~~No, I don't think that's it.~~

But -- WHOOP WHOOP! Sirens outside. Clyde yells to Bonnie:

CLYDE

We got cops!

Bonnie drags the Clerk from the back, and gets in his face:

BONNIE

You tripped the alarm!

(then)

Where's the back door?

CLERK

(terrified)

There is none.

Shit. Bonnie and Clyde look to the front door. HPD has arrived.

BONNIE

Goddammit! We're screwed!

CLYDE

Not yet. We've got hostages. They want to
keep 'em alive, they'll do what we say. →

This simple robbery is now a full-blown hostage crisis. Off
Tani, Noelani and the rest of the hostages --

As Clyde collects everyone's phones, a BULLHORN from outside:

→
CONT.

POLICE BULLHORN (V.O.)
This is HPD. We have the store surrounded.

Bonnie drills the Clerk with a look.

BONNIE
Lock the front door. Now!

As the Clerk obliges, the Bullhorn continues:

POLICE BULLHORN (V.O.)
No one needs to get hurt here. So step outside with your hands above your head and lets resolve this peacefully.

BONNIE
What the hell are we gonna do now?

CLYDE
Hey... look at me. Just breathe. We'll figure it out.
(kissing her forehead)
We're in this together, okay?

IIEND

~~TANI
(whispering to Noelani)
We've got a regular Bonnie and Clyde here.~~

~~NOELANI
At least he's keeping her from going postal.~~

~~TANI
For now. But these two are amateurs. That's not a good thing. They're in way over their heads.~~

~~NOELANI
So what are we going to do?~~

~~off Tani, gears turning --~~

26 INT. ABC STORE - DAY

FIND a stressed Bonnie and Clyde, trying to hold it together.

START
SC. 2

CLYDE

The cops aren't just gonna wait out there. We need a plan.

BONNIE

You don't think I know that? I'm trying to think of one.

Suddenly, someone starts wheezing, loudly. They turn to see -

NOELANI

I can't... I can't breathe...

TANI

She has asthma! Her inhaler's in the car. She needs it -- now. Please, she could die!

Noelani wheezes louder, clutching her throat. Bonnie looks to Clyde, thrown. Clyde turns to the clerk:

CLYDE

Do you have that kinda thing here?

CLERK

Aisle seven...

CLYDE

Babe. We don't need someone dying.

BONNIE

(to Noelani)

Alright. Come with me.

Bonnie drags Noelani to the medication aisle. As soon as they're out of sight --

Tani RUSHES Clyde. Takes him down FAST -- quickly and quietly. With the gun in his back, Tani hisses into his ear:

TANI

Not a sound. Understand?

Clyde nods, scared. At the same time --

IN THE MEDICATION AISLE: Bonnie has her gun trained on Noelani, who fumbles to open the tricky over-the-counter inhaler packaging.

BONNIE

Hurry up!

NOELANI

I can't... please help...

Noelani looks at her, eyes pleading, panicked. So Bonnie places her gun in her waistband to help open the inhaler... which is when Noelani LUNGES for it, calling out:

NOELANI (CONT'D)

Now!!

But the gun slips from her hands. As it skitters away across the floor --

ON TANI, who's been waiting in the next aisle for Noelani's signal. She RUSHES Clyde around the corner, only to find --

Bonnie stands behind Noelani, using her as a shield -- holding a pair of bandage scissors to her throat. A standoff.

BONNIE

Give my husband back his gun.

Tani looks into Bonnie's eyes -- sees a very unstable woman.

BONNIE (CONT'D)

Do it! NOW!

11END

She digs the scissors into Noelani's throat. Tani has no choice. She hands Clyde back his gun. And off this setback...
