

Hy-Gene

LAZY MOTIVATION

Hy-Gene stands in a dilapidated lot and has made a booth out of a refrigerator box that reads: "Parking \$11.00/Day NO SPARE CHNAGE!" The back of his shirt is hacked together with duct tape and read *PARKING*.

A couple in a convertible pull up to the booth.

DIVER

Umm... \$11 to park here?

HY-GENE

Yes suh! Is that cash or credit?

Diver looks to passenger for verification that the situation is legit. Passenger tosses their hands in the air, indicating "I don't know, but go for it?"

DIVER

Ah, credit I guess.

Hy-Gene pulls out a Square credit card reader, licks the tip, and plugs into his iPhone.

Diver hands him his credit card.

Hy-Gene swipes card.

HY-GENE

Oppps, didn't work.

DIVER

Really?

HY-GENE

Its ok, we'll just try it again...

Hy-Gene swipes a second time.

HY-GENE (CONT'D)

Huh?

DIVER

What?

HY-GENE

Would you look at that? Darn thing didn't work again?

DIVER
 (embarrassed)
 There's no way, we just bought
 charcoal ice-cream cones. Uhhh,
 here, try this one.

Hy-Gene swipes once.

HY-GENE
 Huh? Oh, I see what's going on.

Slickly swipes again and hands diver a "receipt"

HY-GENE (CONT'D)
 Okey-doke! Just put this receipt on
 your dashboard so we know you paid.

Guy leans out to accept the coupon ticket. Hy-Gene does a
 silly slight-of-hand trick and the ticket disappears. Driver
 is confused. Hy-Gene gestures to his windshield where the
 ticket has magically appeared under his windshield wiper.

DIVER
 (squinting)
 Wow! Wait, that's a coupon for
 tomatoes?

HY-GENE
 Yeahh, you're in the tomato spot.
 Try to ketchup.

Hy-Gene smirks to camera.

HY-GENE TALKING HEAD OUTSIDE OF BOOTH

HY-GENE
 I means yaus gurl, there were's a
 time I was world class magicians as
 well as an almost employee of the
 month UPS driver... mmmKaaaay? But

 go. RIGHT?! See now APPARENTLY some
 packages gone turn't up missing and
 cause I was a magician, everyone
 thought it had to be me! BYYYIIIEEE

Ring cam footage of Hy-Gene dropping and taking photo of
 Wamazon package on doorstep. Then, snatches package back up
 and dips.

RETURN TO TALKING HEAD:

Hy-Gene winks to camera
