

RACHEL

OK, sure.

Rachel, super hungry, looks at the burgers. *

MARE

We thought it's kind of ironic...
We are against exploitation and
global corporations and recording
anarchistic music while exploiting
an international burger chain. *

Rachel takes one of the burgers. *

RACHEL

But what if these are really bad
quality and they actually make
profit? *

MARE

Well-- *

Rachel opens the wrap and takes a bite. *

RACHEL

No.. These are OK. You should be
fine. *

MARE

Well, see you around. Maybe. *

Mare walks away. Rachel thinks for a second, rushes after
Mare while eating the burger. *

RACHEL

Hey, I forgot: I think I left my
charger at your place. *

EXT. FOREST - MORNING

319 *

SC 1

The troops are marching through the forest. Van and Forsbacka
are trailing a little behind the rest of the squad.

START

Van hustles up next to Forsbacka.

VAN

Hey, listen up, Forsbacka.

FORSBACKA

What?

VAN

There's something I gotta tell you.

FORSBACKA

So tell me.

VAN

That stuff you drank wasn't energy drink.

Forsbacka looks at Van, confused.

FORSBACKA

It wasn't?

VAN

No. Um. You promise you won't tell anyone?

FORSBACKA

Tell what?

VAN

I happen to know that we're parachuting - or I mean you guys are parachuting - today.

Forsbacka is thrilled.

FORSBACKA

For real? How do you know?!?

VAN

Shh, keep it down. I heard it from Parikka. I can't do it, I never got any training.

FORSBACKA

So?

VAN

So I was trying to make myself sick. I made this brew out of some mushrooms I found.

Forsbacka laughs.

FORSBACKA

What? That's so stupid. You can die from that shit. *

VAN

Yeah, but if I jump, I'll die for sure.

FORSBACKA

True.

VAN

So that drink you stole from me, it was those mushrooms.

FORSBACKA

What the fuck?

Forsbacka stops, furious.

VAN

Perfect, hold on to that. I was thinking that since we didn't get sick from those mushrooms, maybe you could punch me.

FORSBACKA

Hamilton, what the fuck are you doing this time?

VAN

In the nose, the cheek. Or something. I'll tell Parikka I fell.

Forsbacka looks at Van, completely thrown.

VAN (CONT'D)

Whatever you want, as long as I don't have to jump. Seriously, I don't want to die.

FORSBACKA

OK.

Van shuts his eyes.

VAN

Let me have it.

Forsbacka looks at Van, bats his eyes a little oddly. His gaze is oddly glassy.

Suddenly Forsbacka kisses Van. Van squirms free.

VAN (CONT'D)

What the hell are you doing!

FORSBACKA

Sorry, I couldn't help myself.

VAN

You couldn't help yourself?

FORSBACKA

Yeah, that daisy crown and that dress are too much.

Van looks at Forsbacka for a long time; he eyes are vacant and glazed.

VAN

(to himself)

No no no, this can't be...

FORSEBACKA

I'm crazy about daisy crowns. Niin
ihanat.

The dumbfounded Van watches as Forsbacka smiles tenderly at
him.

Stenu is a crushing a song English. Piru is at the mixing
table, concentrating.

STENU

(from the Paperi T song)
They're gonna name an illness
after you,
Some deadly disease that
sucks the life out of you,
You always make a mark.

STENU

(from the Paperi T song)
Sun jälkeen nimetään tauti,
Joku vakava mihin kuolee sau
auki
Sä jätät jäljen.

Piru stops recording.

PIRU

Toimii!

STENU

Joo, mä en vaan tiiä, kun mä luulen
että porukka odottaa meiltä enemmän
niinku jotain party bangeriä.

PIRU

Mitä sitte?

STENU

Mä mietin niinku jatkumoo, et "Rai
Rai" meni radiossa hyvin, niin
porukka varmaan haluais jotain
sellast mitä vois niinku luukuttaa
autos ja pomppii keikal--

PIRU

Hei, me on puhuttu tästä. Ihmisille
ei pidä antaa sitä mitä ne haluaa
vaan sitä mitä ne tarvitsee.

STENU

Joo mut--

PIRU

Ei me olle mitään pelleja, haluutsä
hyppii tasajalakaa hassut
aurinkolasit päässä jonkun
Ruisrockin lavalla?

Stenu ei panisi sitä yhtään pahakseen.

STENU

Ainakin siit maksettais.
